Terms of Reference

The main functions of the Education & Training Committee are:

- Consider and report on all matters referred to it by the standing committees of the Estate Agency Affairs Board as soon as practicable after each meeting of the Education and Training Committee;
- Evaluate the implementation of Quality Management System policies and procedures of the Estate Agency Affairs Board relating to education and training;
- Evaluate the Certification Partner/Professional Body roles of the Estate Agency Affairs Board as well as the assessment, accreditation and recognition of Prior Learning Centres and education providers;
- Evaluate resources, strategic and operational plans relating generally to the education and training of estate agents, stakeholders and consumers;
- Provide information with regards the education and training needs of the industry, stakeholders and consumers.
