

INTERNATIONAL ORGANISATIONS

The EAAB's relationship with international organisations is premised on the desire to utilise the vast repository of available international knowledge and resources continuously to improve the ability of the EAAB effectively and cost-efficiently to manifest its statutory regulatory mandate.

Entity	Nature of Support
Association of Real Estate License Law Officials (the EAAB is a member of ARELLO)	Advice and guidance on international regulatory best practices
Other international regulatory bodies such as the Alberta Real Estate Council (Canada)	Advice and guidance on international regulatory best practices
Vice President of District Six of ARELLO including United Arab Emirates, New Zealand, and Australia,	Advice and guidance on international regulatory best practices
